with a goodly number of the mem-bers present. There were two candidates initiated by the short form, and instructed in the unwrit-ten work by the commander. Plans were put into operation to

make things attractive and commendable to the membership, and it s planned to put the business affairs in such shape that everything will be pleasing to the members of the tent who come out to look after

the running of the same.

A spirited discussion occupied considerable time, chiefly indulged in between H. E. Crouch, the State manager, and W. W. Adamson, supreme representative. W. E. Shipman, the record keeper of Georgetown Tent. No. 6, who has been in Garfield Hospital for some

weeks, has so much improved that he has been taken home. Frank Hannon, the financial officer of Mt. Vernon Tent. No. 4, who has been confined to his home by sickness, is able to be out again. Bernard S. Buscher has been elected record keeper of George-town Tent to fill the unexpired term

of Mr. Schipman, who has resigned. The Maccabees of National Tent will present a play at Pythian Tem-ple on the night of April 20, for the benefit of the widows' and orphans fund, and a very interesting and en-tertaining evening will be spent. This is under the supervision of W. E. Womersley, and it is expected that the members of the several that the members of the several tents and their friends will visit
